Reporter's copy

The obligation to report:

There is no restriction on the amount of money that can be imported or exported from Israel, however:

There is an obligation to report to Customs any import of money into Israel and any export of money from Israel **in any way** including anyone entering and/or leaving, and anyone sending and/or receiving by mail, by air, by sea or by any other way as well, if the amount of money is higher than NIS 80,000 (for a new immigrant upon his entry to Israel under an immigrant's visa under the Act of Return – 1950, if the amount of money is NIS 1,000,000 or higher.)

The method of reporting:

The reporting shall be done by submitting the report form to the customs official present, who shall confirm the reception of the report by stamping the form with an official stamp.

In places in which no customs official is stationed, the report form should be submitted to the border control official, who will confirm the reception of the report by stamping the form with a border control stamp.

At places in which no customs or border control official is stationed – the form must be mailed **by registered mail, including a delivery voucher**, to “the National Center” of the Customs and V.A.T. Department.

- If export of money from Israel is involved – the form must be sent prior to the export or the dispatch.

- If import of money is involved – the form must be sent within 72 hours from the import of the money and/or its reception in Israel.

Processing of the report:

The report will be transferred to the Ministry of Justice data bank, administered by the Authority for the Prevention of Money Laundering. The copy will be given to the reporter.

Instructions for the filling in of the form:

In all Paragraphs: ID / passport №– Israeli citizens shall write down their Israeli ID № only.
